

MERUGE WHITE

This wine is only made with Viosinho variety. Fermented and aged in new Portuguese oak barrels, the aim was to create a white wine that would last in time. With its structure and complexity, this's a wine with enormous aging potential, which can be consumed until many years after its harvest.

TASTING NOTES

Color: Beautiful yellow-straw color.

Aroma: Very fresh, fruity, full and complex. It shows hints of fresh fruit with some nuances of vanilla and dried fruits that enrich it and make it very interesting.

Palate: In the mouth, the first sensation is fresh and reveals fruity, evolving to more complex flavors of nuts. It shows an excellent freshness that gives it harmony and makes it very pleasant. It has a good balance between structure and acidity. With a long and persistent finish, for its freshness promises longevity.

Food Pairing: Fish and seafood dishes.
